**Subject:** A. 20-10-018, SCE Catalina Water GRC, ALJ Ruling Granting Extension to File Updates on Forecasted Capital Projects

To the Service List in Application 20-10-018, Application of Southern California Edison Company to Raise Rates Related to its Santa Catalina Water Utility:

This e-mail ruling clarifies the original due dates for Southern California Edison Company (SCE) to file updates to its Capital Project Forecast and Reply Comments, and grants an extension for the due dates for the same filings. An Administrative Law Judge (ALJ) Ruling on August 18, 2023 mistakenly set the dates for SCE to file comments updating the status of its Forecasted Capital Projects and Costs for August 29, 2024, and any replies for September 6, 2024. This ruling clarifies that the dates should have been originally set for 2023.

Pursuant to an e-mail request by SCE, an extension for the filing of Updates on SCE's Forecasted Capital Projects and Costs is granted. SCE shall submit its update by September 12, 2023. Any reply comments shall be due by September 20, 2023.

The Commission's Docket Office shall formally file this ruling.

It is so ruled.

Dated August 25, 2023.

Dear ALJ Toy,

SCE seeks clarification on the deadlines set in your August 18, 2023 ruling directing SCE to provide status updates through comments on its forecasted capital projects in the Catalina Water GRC. The ruling directed SCE to file comments by August 29, 2024, and reply comments by September 6, 2024, but it

appears the comment deadline was intended to be set for August 29, **2023** (not 2024), and reply comments by September 6, **2023**.

Assuming this is correct, SCE respectfully requests a two-week extension of its comment deadline, from August 29, 2023 to September 12, 2023, along with an equal extension of reply comments from September 6, 2023 to September 20, 2023. SCE submits that this extension request is reasonable given the short turnaround set forth in the ruling and the time required for SCE to compile this information.

Prior to making this request, SCE reached out to the other parties for potential objections. No parties object to SCE's proposed extension.

Best,  
Paul
