Subject: A.18-12-009 (PG&E 2020 GRC): Email Ruling Granting Extension in Briefing Schedule

To Parties in A.18-12-009,

This Email Ruling grants The Utility Reform Network's (TURN) request for a two-business day extension of the briefing schedule. TURN sent this request on November 15, 2019 through an email served on the service I Hayley Goodson <hayley@turn.org>ist (attached below). Since submitting the original request, TURN indicated that several parties, including Pacific Gas and Electric Company, Coalition of California Utility Employees, Alliance for Nuclear Responsibility, L. Jan Reid, the Small Business Utility Advocates, Women's Energy Matters, Federal Executive Agencies, and California City County Street Light Association, do not object to the request (*see* email also attached below). The Public Advocates Office and the National Diversity Coalition also stated that they support TURN's request.

An extension of the briefing schedule by two business days will not prejudice other parties and will allow parties to more fully address the numerous complex issues in this proceeding. Good cause being shown, TURN's request for an extension is granted. Opening briefs shall be due on Tuesday, November 26, 2019. Reply briefs shall be due Tuesday, December 17, 2019.

It is so Ruled.

The Docket Office Shall Formally File This Ruling.

Subject: A.18-12-009 (PG&E GRC): Request for Extension in Briefing Schedule

ALJs Lirag and Lau:

Pursuant to Rule 11.6, I am writing on behalf of TURN to request a two-business day extension in the briefing schedule. This extension would make opening briefs due on Tuesday, 11/26 (instead of Friday, 11/22), and reply briefs due Tuesday, 12/17 (instead of Friday, 12/13).

PG&E and CUE have agreed to this extension, and pending confirmation from counsel for the Public Advocates Office, I believe that the Public Advocates Office agrees, as well.

Rule 11.6 requires the party requesting the extension to first make a good-faith effort to ask parties impacted by the extension to agree to the extension. I contacted parties this afternoon but understandably have only heard back from some. Given the proximity of the deadline for opening briefs, TURN is sending this request before receiving input from more parties. TURN respectfully requests the issuance of a tentative ruling on this request at your first convenience, which can be finalized later on Monday once more parties have weighed in.

Thank you very much for your consideration of this request.

Your Honors:

This will be my final update, as I'm confident that any other parties wishing to weigh in can do that directly to you and the service list.

I have now heard from FEA, which has no objection to the extension, and CALSLA, which supports the extension.

Thank you.

A4NR - has no objection

Jan Reid - supports the extension but would like a longer one

Public Advocates Offices - joins the request

SBUA - agrees to the extension

Women's Energy Matters - supports the extension

Thank you for your consideration of this request.
