**Subject:** A. 20-10-018 Catalina Island Water GRC; Administrative Law Judge Ruling Directing SCE to File Joint Comments on Evidentiary Hearing Dates and Granting Request for Extension for Rebuttal Testimony

To the Parties and Service List in A. 20-10-018, Catalina Island Water General Rate Case:

On November 5, 2021, Southern California Edison Company (SCE) requested an extension for the due date of rebuttal testimony, in order to properly respond to intervenor testimony. SCE states that no party opposes the extension. Good cause being shown, the request for extension is approved, and the new due date for rebuttal testimony is December 3, 2021.

By November 19, 2019, SCE shall coordinate and file joint comments regarding the scheduling of evidentiary hearing dates for January 24-28, 2022. Comments should discuss whether additional days may be necessary for evidentiary hearings, the parties' availability for those dates, and any unavailable dates the parties have in February.

It is so ruled.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.

**Subject:** [EXTERNAL] Extension Request - Catalina Water GRC

**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Judge Toy:

SCE respectfully requests a short two-week extension for the filing of its rebuttal testimony in its Catalina Water GRC application (A.20-10-018), from the current date of November 19, 2021 to December 3, 2021. SCE has reached out to the intervenors in advance of this request and confirmed that none of the intervenors object to the extension.

As the Commission is aware, SCE has a one-month turnaround time to file rebuttal testimony, and the intervenors have collectively filed over 600 pages of testimony. Given the breadth of testimony on a number of very important issues, SCE would like to request a short two-week extension to allow for a full, complete response to all of the issues raised. The additional time would also help build a robust record for the Commission evaluate and consider when deciding these issues. Furthermore, because there are currently no set dates for the remainder of the procedural schedule, a brief extension would not delay adjudication of the proceeding or impact the Commission's ability to set dates for future events.

Thank you for your consideration of this request.

Best,  
Paul
