Application of Southern California Edison Company (U338E) for Authority to Increase Rates for its Class C Catalina Water Utility and Recover Costs from Water and Electric Customers.

Application 20-10-018

**ADMINISTRATIVE LAW JUDGE'S RULING
CANCELLING WATER DIVISION TECHNICAL CONFERENCE**

This ruling provides notice that the Commission's Water Division (Water Division) Technical Conference as laid out in the schedule set forth in the Amended Commissioner's Scoping Memo and Ruling of April 8, 2022, is hereby cancelled. Pursuant to the August 29, 2023 Administrative Law Judge Ruling Adopting Confidential Modeling Procedures, Southern California Edison and other interested parties have been authorized to conduct confidential modeling and review of proposed rates and supporting data, in support of Water Division review efforts of the proposed decision. As there is no longer need for a technical conference, it is therefore cancelled.

This ruling is effective today.

Dated November 1, 2023, at San Francisco, California.
