Subject: A.18-12-009 Email Ruling Directing Settling Parties to Submit Documents Showing Impact of Article 3.2 of Settlement Agreement

To all Parties in A.18-12-009,

On January 14, 2020, PG&E, CalPA, TURN, SBUA, CforAT, NDC, CUE, CALSLA, and OSA (collectively, Settling Parties) filed a Joint Motion for Approval of Settlement Agreement (Joint Motion). Article 3.2 of the Settlement Agreement provides that PG&E's 2018 capital forecast is based on PG&E's 2018 recorded capital expenditures and that PG&E shall update its Results of Operations Model to replace 2018 capital forecast amounts with 2018 recorded amounts in its 2020 General Rate Case (GRC) final decision implementation advice letter in order to adjust its adopted 2020 GRC period revenue requirements accordingly.

In order to fully review the Joint Motion, the Commission needs to review, examine, and analyze each provision, article, appendix, and other documents included or otherwise attached to the Settlement Agreement.

And, in order to fully understand, analyze, and deliberate on the provisions contained in Article 3.2, the Commission needs to know how the adjustments in Article 3.2 impact the proposed revenue requirements and relevant appendices included in the Settlement Agreement such as Appendix B.

In view of the foregoing, It is Ruled that:

1. The Settling Parties shall file on or before June 8, 2020 documents showing the impact of replacing PG&E's 2018 capital forecasts with 2018 recorded capital expenditures pursuant to Article 3.2 of the Settlement Agreement. The document must show the impact on the proposed General Rate Case revenue requirements presented in the Settlement Agreement and the relevant appendices included or attached to the Settlement Agreement.
2. PG&E shall also make available upon request by the Commission, the impact of Article 3.2 on the Results of Operations Model.

The Docket Office shall formally file this ruling.
