Application of Pacific Gas and Electric Company

Effective on January 1, 2020 (U 39 M).

Application 18-12-009

**JOINT MOTION OF SAN DIEGO GAS & ELECTRIC COMPANY (U 902 M) AND  
SOUTHERN CALIFORNIA GAS COMPANY (U 904 G) FOR PARTY STATUS**

San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) respectfully move for party status in this proceeding in accordance with Rule 1.4 of the California Public Utilities Commission (Commission) Rules of Practice and Procedure.

Pacific Gas and Electric Company (PG&E) initiated the above-captioned proceeding by filing its Test Year 2020 General Rate Case (GRC) application on December 13, 2018. SDG&E and SoCalGas initiated their pending consolidated GRC proceeding, A.17-10-007/-008 (cons.), by applications filed October 6, 2017. As California investor-owned utilities (IOUs), SDG&E, SoCalGas and PG&E are similarly situated and subject to the Commission's jurisdiction.

Although A.18-12-009 presents proposals specific to PG&E, it also presents issues that may be common to other IOUs, such as SDG&E and SoCalGas. The treatment of issues in A.18-12-009 may impact SDG&E and SoCalGas, whether in A.17-007/-008 (cons.) and/or in future GRCs. SDG&E and SoCalGas therefore have an interest in the treatment of issues in A.18-12-009 and accordingly seek party status to address any common issues as they may arise, by presenting facts and legal contentions through testimony and/or briefing, as necessary.

SDG&E and SoCalGas request that service of notices, order, and other correspondence in this proceeding be addressed to:

SDG&E and SoCalGas' participation in this proceeding will not prejudice any party and will not delay the schedule or broaden the scope of the issues in the proceeding. For the reasons stated above, SDG&E and SoCalGas respectfully request that the CPUC grant this Motion for Party Status.

Respectfully submitted,  
SAN DIEGO GAS & ELECTRIC COMPANY and  
SOUTHERN CALIFORNIA GAS COMPANY
