Subject: A.15-09-001: E-mail ruling granting request for an extension of time to file comments

To the service list in A.15-09-001:

This e-mail ruling grants the request of Scott J. Rafferty for an extension of time to file comments on the Proposed Decision (PD) that addresses his Intervenor Compensation claim in this proceeding. That PD was mailed and published April 27, 2018. Pursuant to previously-granted extensions of time, comments are currently due tomorrow, August 10, 2018.

I am in receipt of the e-mail below, which Dr. Rafferty sent to the service list in this proceeding yesterday. For the reasons explained in the e-mail, and pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, Dr. Rafferty requests a further extension of time to file comments on the PD.

Good cause having been shown, the due date (for all parties in this proceeding) to file and serve comments on the PD mailed and published April 27, 2018 is extended to August 20, 2018. The PD will be considered by the Commission at its voting meeting scheduled for September 13, 2018.

Any further extension requests should follow the Rule 11.6 procedure again, with the new extension request copied to the Service List for this proceeding.

IT IS RULED,

1. The due date for all parties in this proceeding to file and serve comments on the Proposed Decision that was mailed and published April 27, 2018 is extended to August 20, 2018.

2. The due date for reply comments is determined pursuant to Rule 14.3 (d) of the Commission's Rules of Practice and Procedure to be August 27, 2018.

3. When filing pursuant to this ruling granting the extension, Parties shall state in the opening paragraph of the document, per Rule 11.6., that the Administrative Law Judge has granted the extension to file, and shall identify the date of this ruling.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.

Stephen C. Roscow
Administrative Law Judge
California Public Utilities Commission
415-703-1053

Subject: A.15-09-001: CAUSE/Rafferty Request for Further Extension of Time to Comment on Agenda ID #16474

[I apologize for the duplication, but the previous message was not sent to the current service list. To avoid further confusion, I am not revising the request, but note that "this week" three paragraphs down refers to last week.]

Dear ALJ Roscow:

I write again pursuant to Rule 11.6. Since the settling parties have filed their comments, I do not believe that any parties are affected by this request.

I am the sole attorney for minority voters in a pro bono voting rights proceeding involving a large school district. As you know, the Commission had not completed its records response when I went on vacation early last month. In making my request last June, I anticipated that I would return from vacation, have two day to prepare for the County Committee meeting on July 24, and then two undisturbed weeks to digest the large amount of documents produced and prepare a response.

An unexpected opportunity to discuss settling this litigation has arisen that has taken a great deal of time and attention this week. The district is also requesting a settlement conference next Wednesday. Because a negotiated outcome would be very much in the public interest, this commitment has made it difficult to focus on completing my response to the Commission. Reluctantly, I ask if you

would consider an extension from Friday, August 10 to Monday, August 20. I do not expect to request any further extensions.

Again, I appreciate your consideration. This is a difficult matter on which I want to provide a response of the highest quality, but the opportunity to resolve this case has created an unexpected conflict.
