Pursuant to Commission Rule of Practice and Procedure 8.3(c) and 8.4, the undersigned hereby gives notice:

On Friday, March 24, 2017, the undersigned met with David Peck, advisor to President Picker, at the Offices of the Commission at 10:30AM for approximately 30 minutes. At 3:20, the same day, the undersigned met with Joanna Gubman, advisor to Commission Guzman Aceves, at the Offices of the Commission for approximately 30 minutes. On Monday, March 27, 2017, at 9AM, the undersigned spoke by telephone to Rachel A. Peterson of Commissioner Randolph's office for approximately 30 minutes.

No documents were exchanged in any of the meetings. Generally, the discussion followed the recommendations made in the initial comments of CAUSE regarding the proposed decision. In addition, the undersigned disclosed that CAUSE had filed a motion to late-file a response to the rejection of its Notice of Intent, and was in the process of preparing a motion directed to the ALJ to be relieved of conditions imposed on filing the NOI, particularly the requirement that it disclose the identities and home addresses of its members. CAUSE hopes to resolve the matter before the ALJ, but seeks to preserve all rights to Commission review.

Mr. Peck also suggested that CAUSE include an appendix of proposed changes in its reply comments.

Respectfully submitted,

/s/
