**RESPONSE OF THE COALITION OF CALIFORNIA UTILITY EMPLOYEES
TO THE APPLICATION OF PACIFIC GAS AND ELECTRIC COMPANY**

I. INTRODUCTION

Pursuant to Rule 2.6 of the Commission's Rules of Practice and Procedure the Coalition of California Utility Employees (CUE) files this response to the Application of Pacific Gas and Electric Company for its 2020 General Rate Case.

II. RESPONSE

CUE represents the interests of represented utility employees at PG&E and has actively participated in PG&E GRCs since the mid-1990s as an advocate for safety and reliability investment. That advocacy continues in this GRC.

CUE expects to submit testimony and briefs to address whether PG&E is adequately eliminating outdated equipment and replacing aging infrastructure fast enough, whether PG&E is adequately addressing wildfire prevention and response, whether PG&E is adequately staffed to process locate and mark requests, and whether it is justified for PG&E to close seventeen storefront locations.

At this time, CUE has no comments or objections regarding PG&E's proposed category, need for hearings, issues to be considered or proposed schedule.
