**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

Application of Pacific Gas and Electric Company
for Authority, Among Other Things, to Increase
Rates and Charges for Electric and Gas Service
Effective on January 1, 2017. (U39M)

Application 15-09-001

**PACIFIC GAS AND ELECTRIC COMPANY
THREE-DAY ADVANCE NOTICE OF EX PARTE COMMUNICATIONS**

Pursuant to Rule 8.3 of the California Public Utilities Commission's (CPUC) Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) has been invited to testify before the Energy, Utilities and Communications Subcommittee on Gas, Electric and Transportation Safety at which President Michael Picker may be present.¹ Pat Hogan, Senior Vice President, Electric Operations will represent PG&E and testify at this subcommittee hearing.

The public hearing is scheduled for Friday, January 26, 2018, at 10:00 AM, in the main auditorium at Santa Rosa City Hall. The subject of the hearing is utility wildfire prevention and response. This is a topic that touches a variety of CPUC proceedings. Therefore, in an abundance of caution, PG&E is noticing this meeting in the following proceedings: A.15-09-001; A.16-10-019; A.15-09-010; A.17-07-011; and I.17-11-003.

¹ Commission Rule 8.3(c)(2) requires advance notice if a decisionmaker grants an individual ex parte communication meeting or call to any interested person individually. Although PG&E did not request and is not participating in such an individual meeting, it is nonetheless providing this advance notice in the interest of transparency.

Respectfully submitted,
