**TRANSMISSION AGENCY OF NORTHERN CALIFORNIA’S
NOTICE OF COMMUNICATION**

Pursuant to Rules 8.3(c) and 8.4 of the California Public Utilities Commission’s (“Commission”) Rules of Practice and Procedure, the Transmission Agency of Northern California (“TANC”) hereby gives notice of a communication with a Commission decisionmaker in the above-captioned proceeding. Under Rule 8.3(c) of the Commission’s Rules of Practice and Procedure, an interested person’s dialogue during a question and answer session where the audience includes a decisionmaker is not an ex parte communication, but must be reported in the same manner as an ex parte communication pursuant to Rule 8.4(a).

DATE AND TIME: Friday, November 8, 2019, from approximately 10:30 a.m. to 12:00 p.m.

LOCATION: Eleventh Annual Lesley K. McAllister Symposium on Climate and Energy Law at the University of San Diego, San Diego, California.

WHO INITIATED THE COMMUNICATION: Lauren Perkins, attorney of Duncan, Weinberg, Genzer & Pembroke (“DWGP”), which represents TANC in this ratesetting proceeding A.18-12-009. Ms. Perkins moderated the panel at the invitation of the conference organizers and was not appearing at the conference as a representative of TANC.

NAMES AND TITLES OF NON-CPUC PERSONS PRESENT: Lauren Perkins, of DWGP, who moderated a panel consisting of Brian D’Agostino of San Diego Gas & Electric Company (“SDG&E”); Gary Fitts of Nobleprofit and Greenware Technologies; Steven Weissman of University of California Berkeley’s Goldman School of Public Policy and Senior Policy Advisor to the Center for Sustainable Energy; and Samir Hafez, a student of the University of San Diego School of Law.

NAMES AND TITLES OF CPUC PERSONS PRESENT: Commissioner Liane Randolph, in attendance at the Symposium.

TOPIC AND DESCRIPTION OF COMMUNICATION: Ms. Perkins moderated a panel at the Symposium co-hosted by the University of San Diego’s Energy Policy Initiatives Center (“EPIC”) and the San Diego Journal of Climate & Energy Law on the impacts of wildfires. The panel discussion generally concerned impediments and developments in analyzing wildfire risk, mitigation measures, and cost impacts. Ms. Perkins orally communicated questions to the panelists, including as to analysis of wildfires’ impacts to the electricity grid and mitigation and technological measures to address wildfires, as well as efforts at intergovernmental coordination, adaptation, and achieving equitable outcomes.

WRITTEN MATERIALS PROVIDED: No written materials were provided to the audience or to any decisionmaker by Ms. Perkins.

Respectfully submitted,

/s/ *Lauren M. Perkins*
