Subject: A.18-12-009, PG&E's 2020 GRC

Administrative Law Judges Lirag and Lau:

Pursuant to Rules 11.6 and 12.1 (a) of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E), the Public Advocates Office (Cal Advocates), and The Utility Reform Network (TURN) request a modification of the schedule in this proceeding and an extension of time in which to file a motion for approval of a settlement agreement.

TURN, Cal Advocates and PG&E have reached agreement on a settlement term sheet (the Settlement) that resolves all disputes between and among us, including the overall revenue requirement for the test and attrition years. We are in the process of preparing a more detailed Settlement Agreement and would like to work with the other parties to resolve as many issues as possible. We propose a revised schedule below that would allow parties to

file opening and reply briefs on disputed issues that are not subsumed in the proposed revenue requirement, if any. The proposed schedule is below:

December 3: Settlement conference
December 13: Report to ALJs and parties on Settlement progress, including identification of any unresolved issues.
December 20: Last day to file Motion for Approval of Settlement and concurrent opening briefs on identified disputed issues outside of the Settlement Agreement.
January 21: Comments on Settlement Agreement and concurrent reply briefs on disputed issues.
February 5: Reply to comments on Settlement Agreement.

Pursuant to Rule 11.6, we met and conferred with the parties who submitted testimony in this proceeding about the proposed schedule. The following parties do not oppose the alternate schedule: the Office of Safety Advocates, Federal Executive Agencies, the City and County of San Francisco, the California Coalition of Utility Employees, the Solar Energy Industries Association and Vote Solar, California Street Light Association, the Center for Accessible Technology, and the National Diversity Coalition. The Joint CCAs responded that they would like more time for settlement negotiations than is included in the proposed schedule. The following parties did not indicate a position on the proposed schedule: L. Jan Reid and Alliance for Nuclear Responsibility.

Thank you for your consideration of this revised schedule. We are all looking forward to a weekend that does not include drafting briefs and would appreciate hearing from you at your earliest convenience.

Respectfully submitted

Mary Gandesbery, Attorney for PG&E
Selina Shek, Attorney for Public Advocates Office of the California Public Utilities Commission
Hayley Goodson, Attorney for The Utility Reform Network
