BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Southern California Edison Company (U338E) for Authority to Increase Rates for its Class C Catalina Water Utility and Recover Costs from Water and Electric Customers.

Application 20-10-018

ADMINISTRATIVE LAW JUDGE RULING DIRECTING SOUTHERN CALIFORNIA EDISON COMPANY TO PROVIDE UPDATES ON FORECASTED CAPITAL PROJECTS

In the Application to Increase Rates for its Class C Catalina Water Utility and Recover Costs from Water and Electric Customers (Application) and related testimony submitted by Southern California Edison Company (SCE) in this proceeding, it has stated that certain forecasted capital projects were projected to be completed by 2023. In order to update the record, SCE is directed to file comments discussing the project status of any forecasted capital expenditures submitted by SCE for recovery in this proceeding, by August 29, 2024. For any projects already complete, SCE shall provide the final total cost, and an explanation for any cost totals above what is already in the record in this proceeding. Any replies to these comments shall be filed by September 6, 2024.

IT IS RULED that:

1. SCE is directed to file comments by August 29, 2024 regarding the status of any forecasted capital expenditures previously submitted in this proceeding.

2. Any replies to SCE's update shall be submitted by September 6, 2024.

This order is effective today.

Dated August 18, 2023, at San Francisco, California.
