Subject: A.15-09-001: E-mail Ruling Granting Request for Extension of Time

To the service list in A.15-09-001:

This e-mail ruling grants the request of Scott J. Rafferty for an extension of time to file comments on the Proposed Decision in this proceeding mailed and published April 27, 2018.

I am in receipt of the attached letter, which Dr. Rafferty e-mailed to me earlier today. For the reasons explained in the letter, and pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, Dr. Rafferty requests an extension of time to file comments on the Proposed Decision that addresses his

Intervenor Compensation claim. Dr. Rafferty requests an extension “until June 24, 2018, or until 20 days after all responsive documents [regarding his Public Records Act request 18-198] have been produced, if that date is later.” Dr. Rafferty also does not rule out the possible need for further extensions.

Good cause having been shown, the due date (for all parties in this proceeding) to file and serve comments on the Proposed Decision mailed and published April 27, 2018 is extended to Monday, June 25, 2018. This will allow the PD to be considered by the Commission at its voting meeting scheduled for July 12, 2018.

Any further extension requests should follow the Rule 11.6 procedure again, with the new extension request copied to the Service List for this proceeding.

IT IS RULED,

1. The due date for all parties in this proceeding to file and serve comments on the Proposed Decision that was mailed and published April 27, 2018 is extended to Monday, June 25, 2018.
2. The due date for reply comments is determined pursuant to Rule 14.3 (d) of the Commission’s Rules of Practice and Procedure to be Monday, July 1, 2018.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.
